

User can upload a sheet using the Upload button.

The screenshot shows a web browser window with the title "ONSAT file uploading". The address bar displays "http://ONSAT.com/upload". The main heading is "Outsourcing of Network Services Assessment Tool". Below the heading, the text "Upload Question Sheet" is displayed. There is a file selection area with a button labeled "Choose A File" and a text input field containing the path "/home/question_sheet.csv". To the right of the input field is an "Upload" button.

After using file explorer to choose the file, the following question list will appear

The screenshot shows a web browser window with the title "Questions". The address bar displays "http://ONSAT.com/questions". The main heading is "Outsourcing of Network Services Assessment Tool". Below the heading, there is a table with four columns: Index, Quistion, Answer, and Weight. The table is divided into two sections: "A. SERVICE PROVIDER IDENTIFICATION" and "B. BUSINESS OWNER PROFILE".

Index	Quistion	Answer	Weight
A. SERVICE PROVIDER IDENTIFICATION			
1		Level ▾	0.3
2		Level ▾	0.4
3		Level ▾	0.3
B. BUSINESS OWNER PROFILE			
1		Level ▾	0.3
2		Level ▾	0.4
